## ABOUT THE PROGRAM

The Master of Science in International Management at Goethe University is catering to ambitious bachelor graduates striving for an international career. We have designed a program that will ensure a unique learning experience and ideal job market opportunities.

The objective of the program is to develop analytical and quantitative skills as well as the social competencies required for challenging careers in management positions or in academia. Enjoy maximum freedom of choice by either pursuing a general education in several management disciplines or by concentrating on one or two of the following five fields:

- Accounting
- Finance
- Information Management (Business Informatics)
- Managerial Economics
- Marketing Analytics

## WHY STUDY INT. MGMT. IN FRANKFURT?

Goethe University offers the opportunity to study a demanding program taught by committed and research-driven professors and high-profile practitioners. Our lecturers apply state-of-the-art teaching methods and confront you with challenging real-world problems.

Students for this program are carefully selected out of more than 1,000 applicants. With around 80% students from outside Germany, this master's is truly international. Thus, intense collaboration with students from all around the globe will further develop your intercultural competencies.

Frankfurt, as a vibrant city combining international flair and Hessian coziness, is the perfect stepping-stone for your international career. On the one hand, Frankfurt is the German and European financial capital, being home to the European Central Bank, the German Central Bank, several private banks as well as finance and consulting firms. On the other hand, headquarters or subsidiaries of large multinational corporations are located in and around Frankfurt.

## STUDY ABROAD

We encourage you to study one or two semesters abroad. Our International Office provides comprehensive advice during all stages of your studies abroad. You can choose between the following options:

- Study one semester abroad at one of our high quality **partner universities** in Europe and worldwide.
- Choose the **QTEM program**: study at one of our QTEM partner universities and receive a certificate that proves your extraordinary quantitative skills.
- Study abroad as a **free mover** at a university of your choice.

## PROGRAM STRUCTURE

1 <sup>ST</sup> SEM.	2 <sup>ND</sup> SEM.	3 <sup>RD</sup> SEM.	4 <sup>TH</sup> SEM.
Elective	Elective	Elective	Elective
Elective	Elective	Elective	Master's thesis
Elective	Elective	Elective	
Elective	Elective	Elective	
Elective „Ethics“*	Seminar	Seminar	

\* does not have to be completed in the first semester

**Electives** provide advanced specialized knowledge of the five fields accounting, finance, information management, managerial economics, and marketing analytics. Students choose their electives according to their future career plans.

Students choose one elective module from the field of business **Ethics**.

**Seminars** encourage students to conduct their own research as a preparation for the master's thesis.

The **master's thesis** is a large research project by which students can demonstrate their ability to deal independently with a complex problem.

## APPLICATION

Applicants must hold a bachelor's (or equivalent) degree in economics or business administration. Graduates with at least 90 ECTS in these fields may apply as well. Moreover, you may apply when you have achieved at least 80% of your undergraduate credits.

Please find our selection criteria on our website.  
All applicants must register through our online application system.

Please check our website for details on the application process.

## APPLICATION DEADLINE

May 15
