For applicants with a German degree:

Important: The whole application process is carried out online with the possibility to upload all necessary documents.

Please upload the following documents through the online application system (uni-assist):

1. Previous degree(s) including the final grade (GPA) and a transcript of records.

OR without a final diploma:

- Certificate of enrollment in bachelor's degree and
- Preliminary diploma or transcript of records, which includes all passed examinations and an average grade. This preliminary diploma or transcript of records must be issued by the same office that also issues the final diplomas.

If you have a bachelor's degree of an institution with English as the sole language of instruction and from a majority English speaking country, you do not need to submit TOEFL or IELTS scores. Instead, please provide sufficient proof of your English skills by uploading a document regarding the language of instruction of your bachelor program issued by the university.

A list of majority English speaking countries can be found on the website of the UK Visas and Immigration Department.
