Program benefits

- Two Master Degrees of two prestigious universities in France and Germany
- No prolongation of studies
- Language qualification English and French
- Practical experience can be obtained with an internship (optional)
- Intercultural competence with focus on France, Germany and Europe
- Erasmus grant and additional funding through Willy Robert Pitzer Foundation
Prerequisites for taking part in the Program

• Application in semester 1 in MMF Program in Frankfurt
• Semester 1 Frankfurt: 30 CP (ECTS) credit points consisting of 5 “Fundamental Modules”
• Semester 2 Frankfurt: Proof of 30 CP (ECTS) credit points consisting of 2 modules in “Money” (12 CP), 2 modules in “Finance” (12 CP) and one seminar in “Money” or “Finance” (6 CP).
  Only one module can still be re-taken (in case of a failure) after the 2nd semester unless it is not a “Fundamental Module”
• Language qualification English (language of the program)
• It is essential that you put a lot of effort into completing the modules during semester 1 and 2 in Frankfurt!
The home University is responsible for the selection of participants. There are 5 places. Start of the program is a winter semester.

Selection criteria:

- Academic achievements (Bachelor grades)
- Social commitment
- Motivation and overall quality of application
Academic Program in Frankfurt Semester 1 and 2

30 CP (ECTS)
- Fundamentals of Microeconomics
- Fundamentals of Macroeconomics
- Fundamentals of Econometrics
- Capital Markets and Asset Pricing
- Corporate Finance and Valuation

Semester 1 Frankfurt
(Oct – Feb)

30 CP (ECTS)
- 2 modules in “Money” (12 CP)
- 2 modules in “Finance” (12 CP)
- 1 seminar in “Money” or “Finance” (6 CP).

It is strongly recommended to complete the “Money” seminar in Frankfurt!
Academic Program in Paris Semester 3 plus internship thereafter

Semester 3 Paris
(Sept – Dec)

30 CP (ECTS)
„Master Economie et Finance“
Course program specialization „Magistère Banque Finance Assurance“ and „Energie Finance Carbone“

+ 6 (CP) ECTS internship and internship report.
The internship has a length of 2 - 6 months. It is recommended (but not obligatory) to do it in France. It can start in January.
Internship

- The internship can be done in any country, however, we strongly recommend to do it in France.
- Students are free to choose their internship but it should fit for the students’ professional orientation. It may be in the field of Finance, or Economics (in an NGO or in sustainable development). These are only examples.
- The internship has a length of 2 - 6 months. Students have to write and internship report.
- The grade for the 6 CP is given on the basis of the written internship report. There is no defense of the report in front of a jury.
The Master thesis seminar, usually obligatory in the same semester as the master thesis registration, is recognized for the 36 credit points obtained in Paris.

Attendance of research seminar highly recommended (without credit points because included in the recognition of courses from Paris).

**24 ECTS**

Master Thesis

The Master Thesis can also be written in Frankfurt or Paris but according to the examination rules of the Faculty (the second out of two supervisors may be a member of University Paris Dauphine).
The exchange is financially supported by the Willy Pfitzer Foundation and BHF Bank Foundation.

Students will receive a grant.
