

Double Degree Master Program

Goethe University Frankfurt and Université Paris Dauphine- PSL

Program Coordinator: Prof. Martine Carré-Tallon, Paris
Prof. Rainer Klump, Frankfurt
Contact: [Bianka Jäckel \(jäckel@wiwi.uni-frankfurt.de\)](mailto:jäckel@wiwi.uni-frankfurt.de)

Université Paris Dauphine - PSL

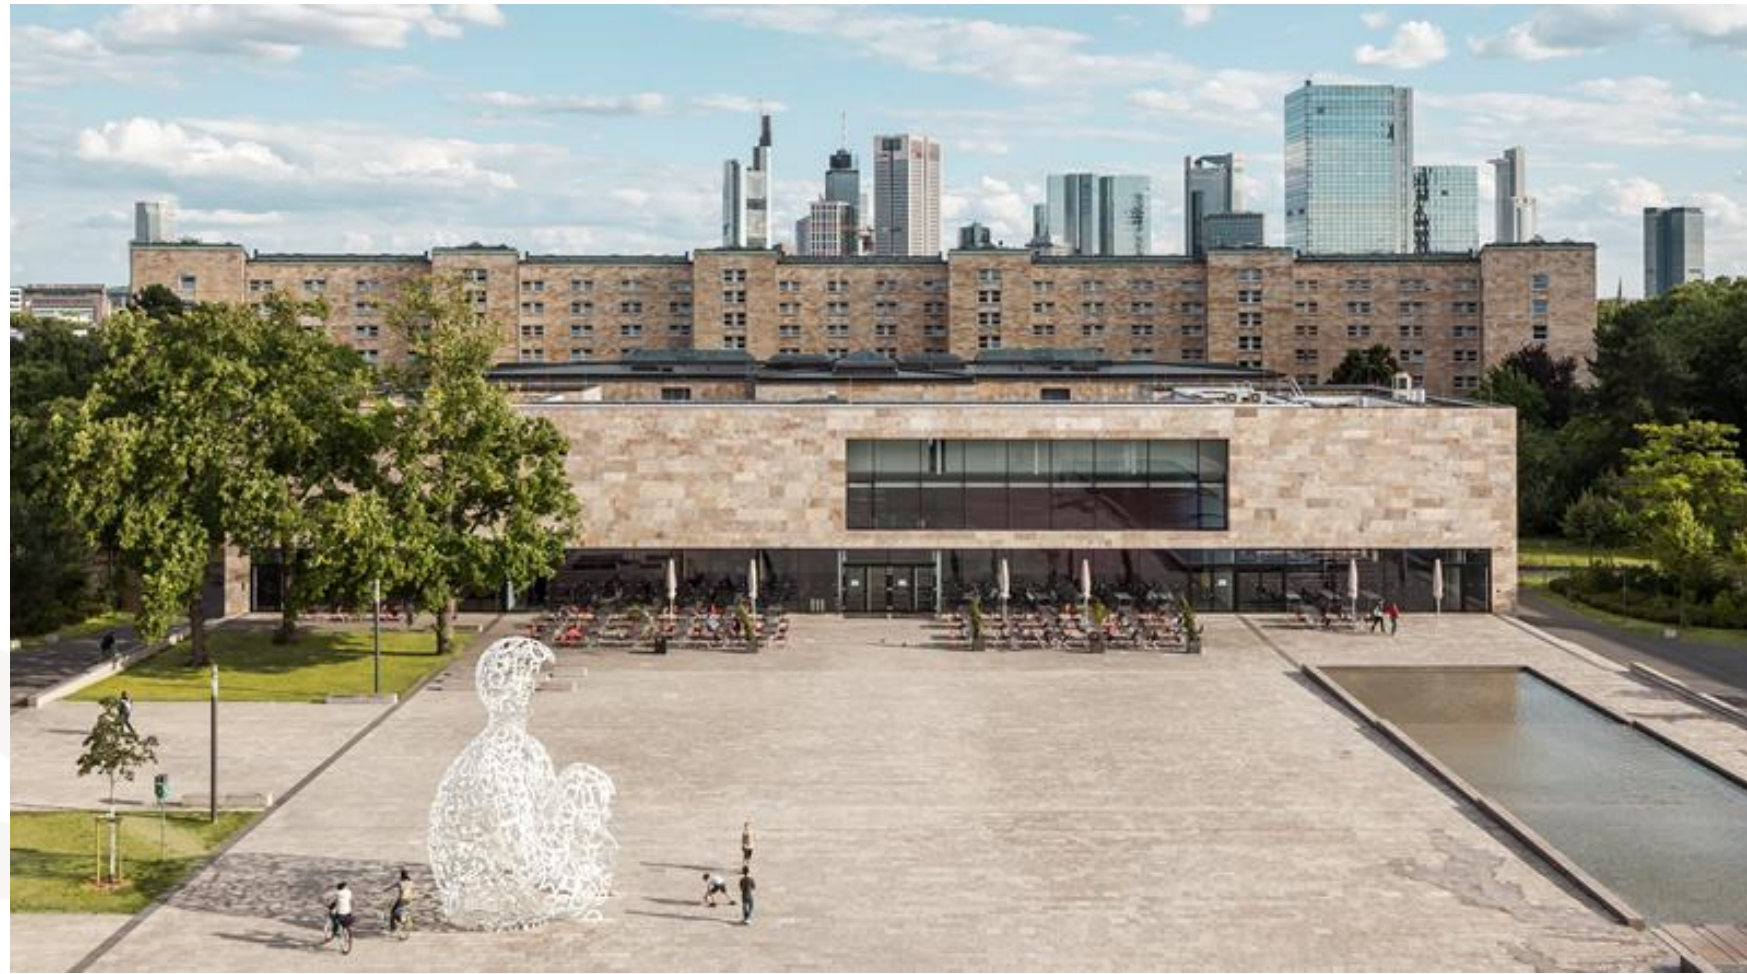

- Strategic partner of Goethe University, Faculty of Economics and Business, for more than 30 years
- 4 campuses: Paris, London, Madrid, Tunis
- EQUIS accredited
- Place 41 in Times Higher Education Ranking
- Place 50 in QS World University Ranking

Program Benefits

- Two Master Degrees of two prestigious universities in France and Germany
- No extension of the study period
- Language qualification in English and French
- Practical experience can be gained during an internship (optional)
- Intercultural competence with focus on France, Germany and Europe in general
- Financial support Erasmus and Foundations and Willy Robert Pitzer Bad Nauheim/Oddo BHF

Course of Studies

1st semester and 2nd semester:

- Master of Science in Money and Finance (MMF) at Goethe University Frankfurt a. M.

3rd semester:

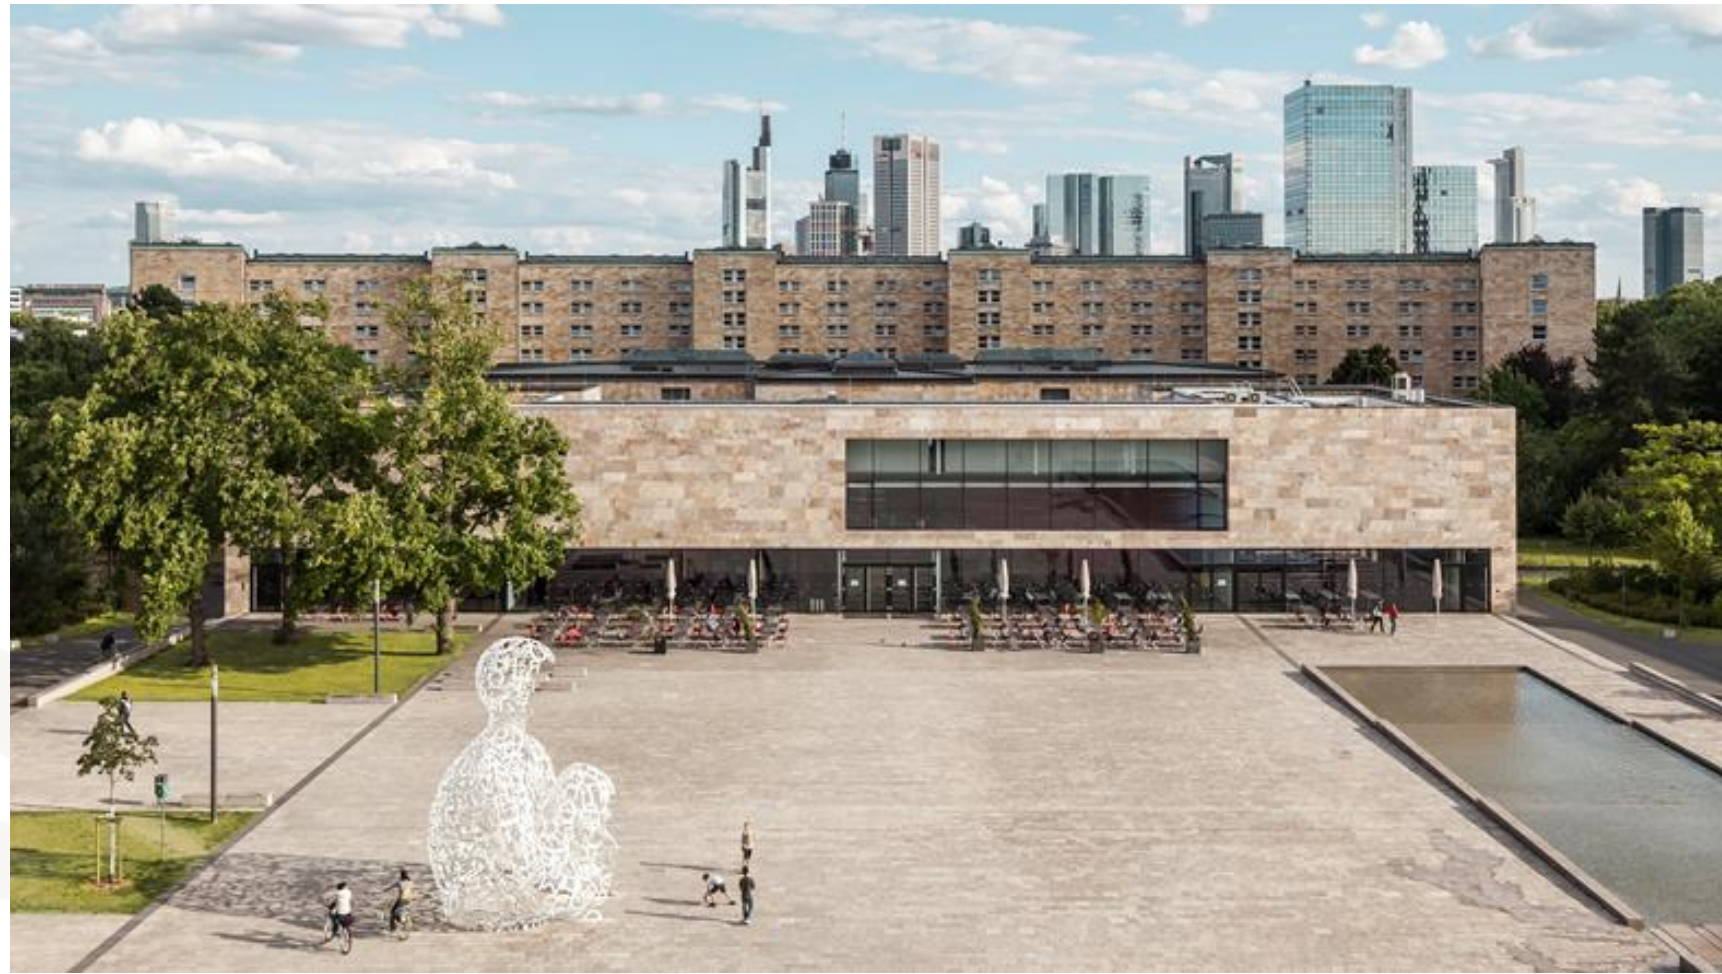

- Master Economie et Finance (MEF) at Université Paris Dauphine- PSL

4th semester:

- Either at the Faculty in Paris or in Frankfurt

Course of studies

1st semester (October – February):

30 CP (ECTS)

- Fundamentals of Microeconomics
- Fundamentals of Macroeconomics
- Fundamentals of Econometrics
- Capital Markets and Asset Pricing
- Corporate Finance and Valuation

2nd semester (April – July):

30 CP (ECTS)

- 2 modules in “Money” (12 CP)
- 2 modules in “Finance” (12 CP)
- 1 seminar in “Money” or “Finance” (6 CP)
It is strongly recommended to complete the “Money” seminar in Frankfurt!

Course of Studies

3rd semester (September – December):

30 CP (ECTS)

- Course program specialization „Magistère Banque Finance Assurance“ and „Energie Finance Carbone“

6 CP (ECTS)

- Internship and internship report

4th semester (April – July):

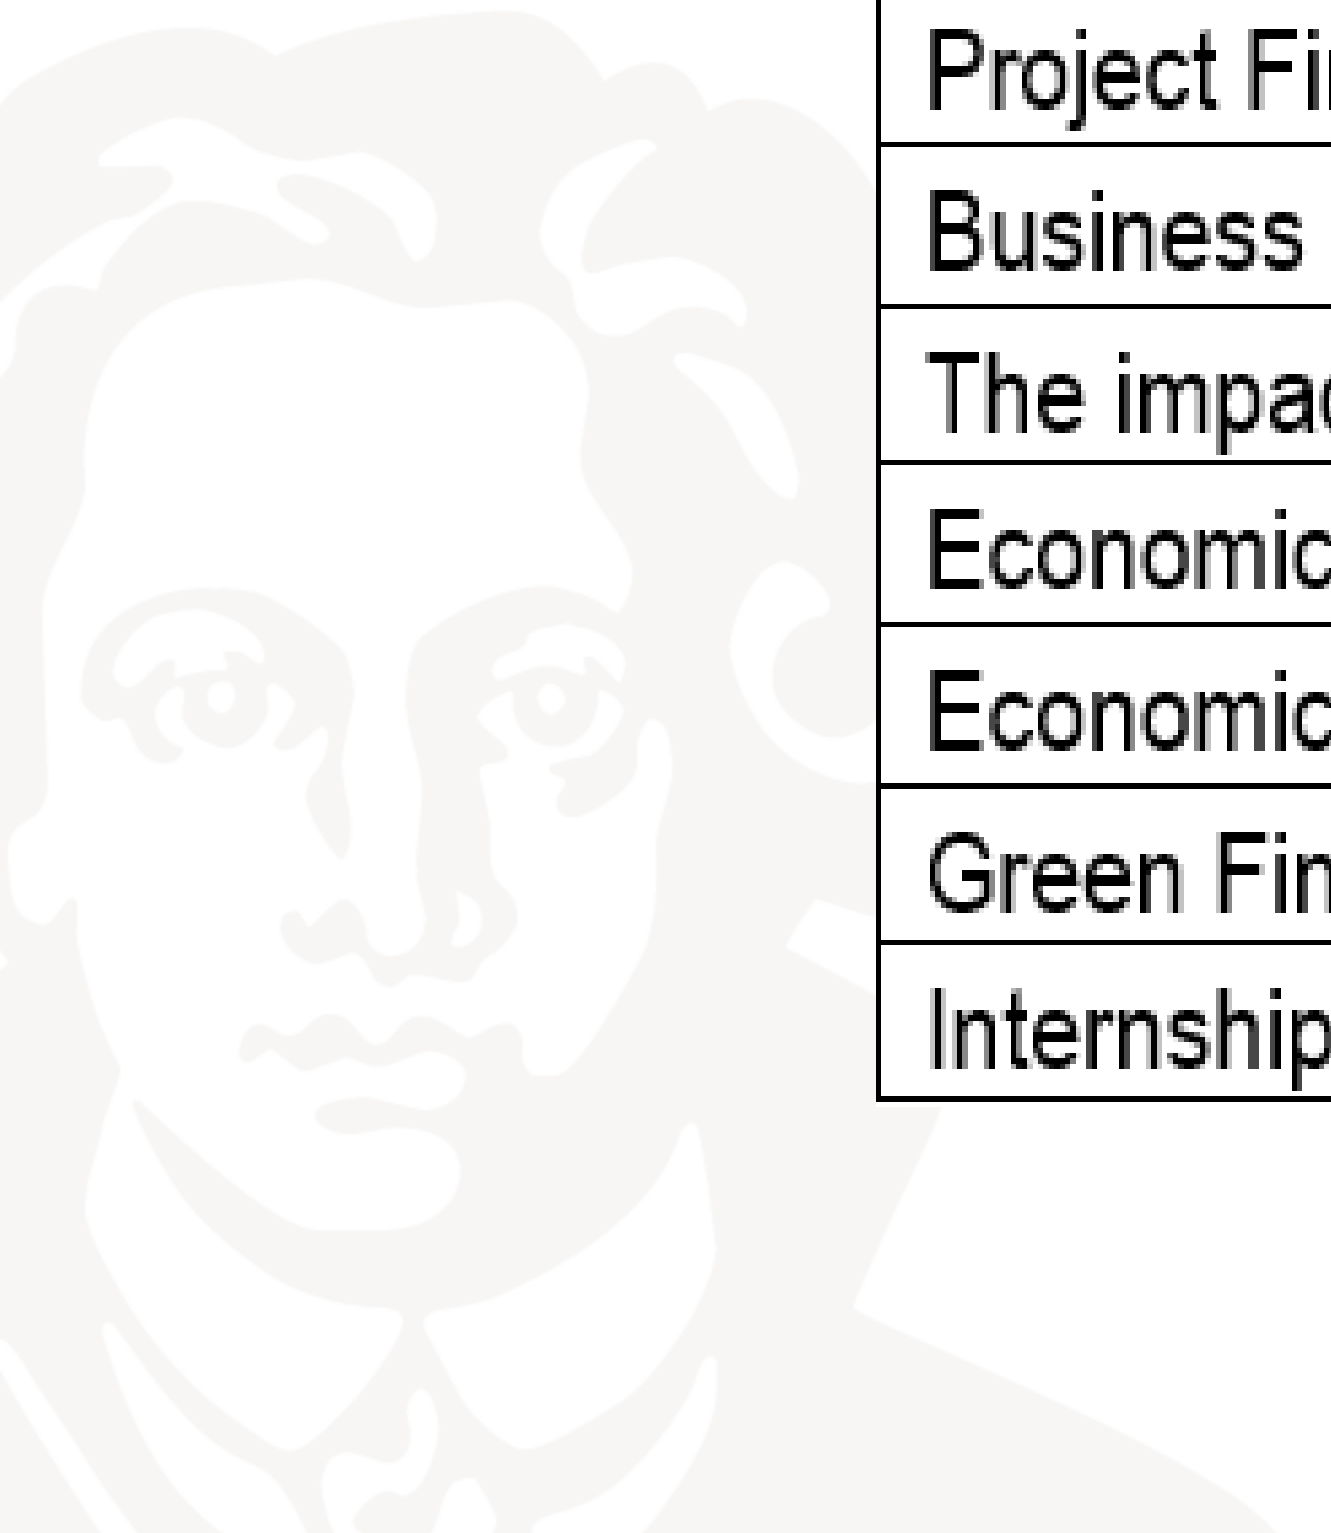

24 CP (ECTS)

- Master thesis seminar (usually obligatory in the same semester as the master thesis registration) is recognized for the 36 CP obtained in Paris. However, attendance of research seminar without CP is highly recommended
- Master Thesis according to the examination rules of the Faculty

Exemplary Curriculum in Paris

Course Title	CP
Corporate Strategy	3
Project Finance	3
Business simulation and entrepreneurship	3
The impact of Big Data and Artificial Intelligence on Finance	3
Economics of energy and environment	6
Economics of climate change	6
Green Finance: Market and Project Finance	6
Internship	6

Internship

- The internship can take place in any country, however, it is strongly recommend to do it in France
- Students are free to choose their internship but it should fit to the students' professional orientation. It may be in the field of Finance or Economics
- The internship has a length of 2 - 6 months including an internship report afterwards
- The grade for the 6 CP is given on the basis of the written internship report. There is no defense of the report in front of a jury

Requirements for Taking Part in the Program

Semester 1

- Application
- 30 CP (ECTS) consisting of 5 “Fundamental Modules”

Semester 2

- 30 CP (ECTS): 2 modules in “Money” (12 CP), 2 modules in “Finance” (12 CP) and 1 seminar in “Money” or “Finance” (6 CP)
Only one module can be re-taken (in case of a failure) after the 2nd semester unless it is a “Fundamental Module”

Additional

- Language qualification in English (language of the program)

It is essential to put a lot of effort into completing the modules during semester 1 and 2 in Frankfurt!

Selection of Participants

- The home institution is responsible for the selection of the participants. There is a total of 5 places in each direction available.
- Selection criteria:
 - Academic achievements: Bachelor grades
 - Social commitment
 - Motivation and overall quality of the application
