- Exchange programs of the Goethe University (Global International Office)
- Self-organized semester abroad (Freemover)

Furthermore:

- Summer and winter schools
- Internship abroad

How to plan a semester abroad

How to start?

- Check the course catalogues of our partner universities and reports (Abschlussberichte) by students
- Start planning early! Think about application deadlines, examination periods at GU, practical issues (visa, housing, funding)

Exchange programmes

Advantages of studying at a partner university:

- No tuition fees (except New School of Social Research in NYC)
- Nomination by Goethe University

Regular Exchange programme (Erasmus+ and worldwide)

For the academic year 2022/23:

(advised Wintersemester 2022/23, possible summer semester 2023)

[Call for application for BWL/IM](#)

[Call for application for MMF/MIEEP](#)

[Call for application for Wipäd](#)

[Please check the website and call for applications regularly for changes.](#)

Application deadline 01. February 2022

Exchange programs (all faculties)

Programs for

USA, Canada, Czech Republic, China, South Korea, Japan
Australia

Application via International Office at Goethe University

Deadlines start in November 2021!

<https://www.uni->

[frankfurt.de/38298535/Direktaustauschprogramme_Partnerunis_weltweit](https://www.uni-frankfurt.de/38298535/Direktaustauschprogramme_Partnerunis_weltweit)

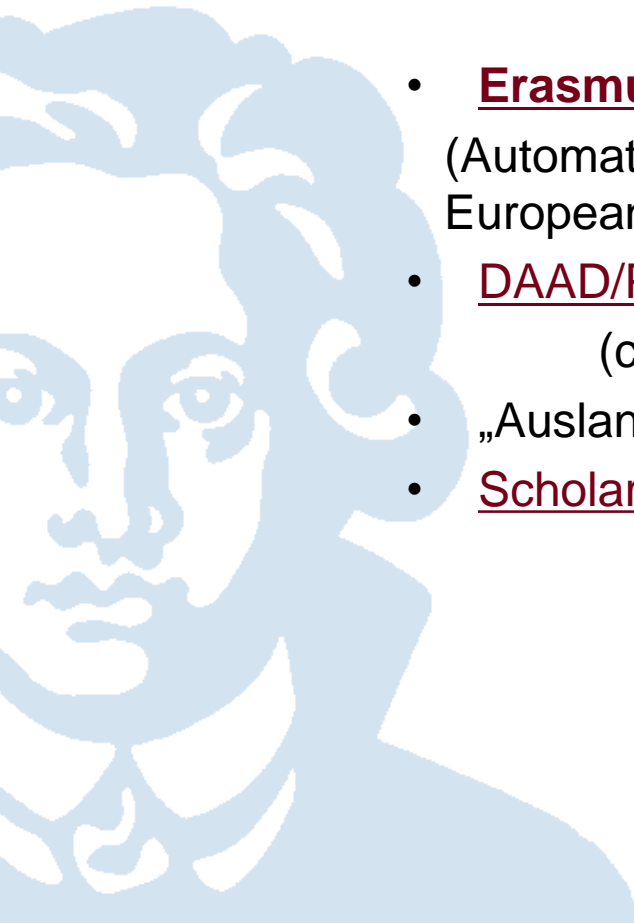

Freemovers: What to consider?

- Different application procedures and application deadlines
- Fees!
- The host universities must be recognised by the KMK:
<http://anabin.kmk.org/> (H+ classification)
- Accreditation: AACSB, EQUIS, AMBA
- Rankings might provide orientation
- Alternatives: Summer/Winter Schools, IO website, discounts for students from partner universities
<https://www.uni-frankfurt.de/44387799/Summer-Universities>

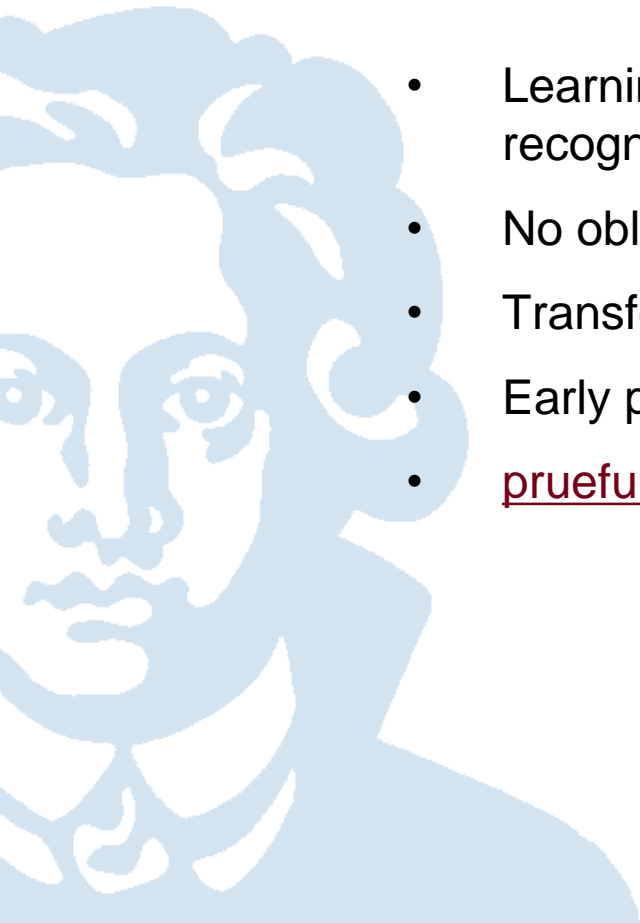

Funding

- **Erasmus+**: 330-450 Euros
(Automatically granted when getting an acceptance to an European University exchange.)
- **DAAD/Promos**: 300-500 Euros + travel allowance
(contact **Luisa Döhner** for further information)
- „Auslandsbafög“: grant for tuition fees (up to 4,600 Euros)
- **Scholarship Website Goethe Uni**

Transfer of Credits

- Learning Agreement (Prüfungsamt/examination office for recognition and table B first)
- No obligation to transfer credit points
- Transfer policy: All or nothing!
- Early planning! Talk to the examination office!
- pruefungsamt@wiwi.uni-frankfurt.de

Organisational Issues

- Commitment: Students have to study at partner universities once nominated!
- Change of your choice of partner institution after application at the Faculty is not possible!
- Deadlines: Students are responsible for respecting deadlines (admission at partner universities, scholarships, housing)

Organisational Issues

- Leave of absence (Urlaubssemester): If your semester abroads ends in December or Januar and you want to take exams at GU in February or March you have to be enrolled as a regular student!
- Knowledge of host country: Do research on the educational system of your host country, cultural habits, housing, living costs, transport, insurance etc. Check the information provided by our partner universities!
- Housing organisation

Competencies:

- International Office at Faculty of Economics and Business Administration (Auslandsbüro) : Application procedures, student reports, feedback on partner universities.
- International Office at GU: Scholarships (Erasmus+, PROMOS)
- Transfer of credits: examination office (Prüfungsamt)
- Registration, housing, courses, exams: Partner universities
- Be aware of competencies! Do not e-mail everyone you know
