QTEM Network Program
Call for Applications for the academic year 2023/24

Master in BWL
Master in International Management
Master in Money and Finance (MMF)
Master in International Economics and Economic Policy (MIEEP)

The Faculty of Economics and Business calls for applications for the QTEM Program for the academic year 2023/24.

About the program:
QTEM (Quantitative Techniques for Economics and International Management) is a prestigious international exchange program focusing on the development of analytical and quantitative skills to support decision-making in an international context. Upon successful completion of the curriculum participants will receive the QTEM certificate in addition to the Master degree of the Faculty of Economics and Business Administration at Goethe University. Please see the official QTEM website as well as the QTEM website of the Goethe University for additional information on the program. Please consider the universities’ different academic calendars when planning your exchange(s); semester times are likely to overlap with regard to the spring/summer term, and at some universities only one semester is open for QTEM students. The QTEM course database shows the courses offered at the QTEM academic partners.

Program structure:
Exchange(s) + 1 or 2 exchange(s)
Internship + 220 hours sometime during Master
QTEM course (6 ECTS) Global group work on a case + 2 preparation soft skill courses (GBAC)

Funding:
QTEM exchanges in the European Union
The Erasmus+ program provides partial funding for all QTEM exchanges in Europe. The scholarships vary between 490 and 600 Euros per month depending on the host country. Please see for reference the past scholarship rates for 2022/23 here. The rates for 2023/24 will only be communicated in summer 2023.

Students who want to study in Switzerland cannot receive funding via Erasmus+. However the exchange with the partner universities Warwick and Exeter will be Switzerland will cover the financial support with the Swiss-Mobility-program. Further information can be found here.

Students who want to study in UK cannot receive funding via Erasmus+. We have not received any valid information about a scholarship program at UK Universities.

The Erasmus scholarship for QTEM exchanges is connected to your acceptance for the QTEM program! There is no need for an extra Erasmus application at this point of your QTEM application.

QTEM partner universities outside the European Union
The PROMOS program of the German Academic Exchange Service (DAAD) provides funding. International students, who are enrolled as regular students in our degree programs, are also eligible to apply for a DAAD scholarship.

Who can apply for the QTEM exchange program?
Students of our Master programs in BWL, International Management, International Economics and Economic Policy, and Money and Finance are eligible to apply. Students have to spend their third semester (i.e. the Winter Semester 2023/2024) or their third and fourth semesters (i.e. Winter Semester 2023/2024 and Summer Semester 2024) at a QTEM partner university. Applications from students who want to spend an exchange semester abroad at a later stage will be considered in exceptional cases only and according to capacity.

Language requirements:
GMAT score of 600 minimum. Please note that the GMAT can be handed in with the application deadline until Feb. 1st. If you have not taken the GMAT until February 1st you can submit it later until May 2nd).

Some QTEM partner universities require additional language tests:
Monash: in the past TOEFL 79 or IELTS 6.5 or CAE/CPE 176 was required. But they changed the language requirements. Will be confirmed soon.
Warwick: in the past TOEFL 92 or IELTS 7.5 or CAE passed with C or CPE with any grade was required. But they changed the language requirements. Will be confirmed soon.

If you have Monash or Warwick in your priorities for an exchange in the fall 2023/24 please hand in the required language test with your application until February 1st 2023.

If you have Monash or Warwick in your priorities for an exchange in the spring 2024 please hand in the required language test in until June 1st 2023.

When to apply and how many exchanges places?
There will be 20 exchange places in total for QTEM.

Please submit the following documents electronically:

- QTEM application form 23/24.
- GMAT score of 600 (minimum) or equivalent GRE score. Please check the official conversion tool. Applications with GMAT score <600 cannot be considered!
  
  Please note. If the GMAT was not taken by February 1st it can be submitted later until May 2nd 2023.

How to submit the application documents

Please submit your digital as one PDF file via e-mail to the International Office of the Faculty (“Auslandsbüro”) using the following email address (voigtlaender@wiwi.uni-frankfurt.de) and state “Application Master exchange – QTEM” in the subject line. You will be notified once your application has been received (during office hours only!).

Application deadline: February 1st 2022

There have been fewer female than male applicants in the past, hence we would like to explicitly encourage female students to apply.

Incomplete applications or applications arriving after the deadline will not be considered!
It is not possible to submit certificates or other documents after the application deadline unless we ask you to do so! Exeption GMAT score.

Selection criteria:
The selection is based on the following criteria:

- Grades (65%)
- GMAT/GRE score (15%)
- Voluntary social commitment at Goethe University or outside Goethe University (10%).
- Overall quality of application and letter of motivation (10%).
Multiple applications (regular exchange semesters, QTEM, university wide exchange):
You can submit multiple applications for QTEM, the regular exchange programs of our Faculty and the university wide exchange programs. If you have successfully applied for a University program it is not possible anymore to apply for or to take part in a Faculty exchange and the other way round.
If you have successfully applied for the QTEM program, you will not be considered for the Erasmus+ and worldwide exchange programs of the Faculty.

Please note:
We expect you to read the course offer of the partner universities and the internet pages of the universities of your choice thoroughly and to inform yourself about semester periods, costs of living and alike. Please check if the study program of the partner university meets your expectations and fits into your curriculum. Please carefully think about which university to select. It is not possible to change your choice after the application has reached us. We are not able to give your place to somebody else which means that if you do not accept your slot it will be lost. Your selection is compulsory!!!
Please check the website of the Auswärtige Amt for safety information for the country of your choice
